The generous support of our Auction donors has allowed EREF to continue its mission to further solid waste research & education.

How does your support help us accomplish this?

**Research Grants**

EREF's Research Grants Program provides funding to researchers investigating topics pertinent to the solid waste industry.
Scholarship

EREF’s Scholarship Program awards scholarships to master’s and doctoral students demonstrating excellence in their pursuit of bettering the solid waste field.

Data & Policy

EREF’s Data & Policy Program was created to aggregate and analyze data in order to advance knowledge and education for sustainable solid waste management. The program employs undergraduate interns to assist with the data gathering and analysis process.

Donating is easier than ever this year!

Donor forms may now be completed online! To donate to the EREF Auction, please click the appropriate link below:

Live Auction Donor Submission Portal

The Live Auction is a fast-paced event where larger items are sold to the highest bidder by a professional auctioneer. Examples of previous donations include equipment, outings with industry executives and trucks.

Silent Auction Donor Submission Portal

The Silent Auction features smaller donations that allow donors to increase their booth traffic. Examples of previous donations include iPads, equipment, sporting event tickets and trips. Donations must be a minimum of $400, and up to 2 items may be donated to meet the $400 minimum.
