EREF-CA CHARITABLE SILENT AUCTION 2019 DONATION GUIDELINES

The Environmental Research and Education Foundation of Canada (EREF-CA) is holding this Charitable Silent Auction in conjunction with Waste & Recycling Expo Canada (CWRE). These rules provide a framework to enhance the value of the Auction to the donors, the EREF-CA and CWRE.

1. Support of CWRE: A donor must purchase floor space at CWRE large enough to accommodate an easel and sign promoting their donation, or otherwise support CWRE in a manner satisfactory to CWRE.
2. Donation Limitations: Donations to the Silent Auction must be valued at \$450 (CAN) or more. Participating companies may donate up to two items to meet that \$450 minimum for the Silent Auction. These limits may be adjusted from time to time by the EREF-CA staff.
3. Title: Contributions to EREF-CA are in the form of the proceeds realized from the sale of the donor's donation to the Auction. All ownership rights and title to the donation shall remain with the donor up to, and until, the donor or its agent transfers title to the successful bidder.
4. **Delivery and Spotting: Donor shall be responsible for the costs of delivery of any donated equipment to the equipment marshaling area of CWRE, such equipment clearly identified as being for the EREF-CA Silent Auction. The Donor shall be responsible for any and all costs incident to spotting the equipment to the designated location within the CWRE facilities where the Auction will take place and removal of the equipment from the Auction location.**
5. Liability Disclaimer: Neither the EREF-CA nor CWRE assumes any responsibility whatsoever for any equipment within the CWRE facility, and the donor hereby expressly agrees to release, indemnify and hold harmless CWRE, EREF-CA, and their officers, staff and directors, from any and all claims including, but not limited to, injury, death and loss of property, including said equipment, that may be sustained incident to the delivery and spotting of the equipment at the CWRE facility, while on display at CWRE and during Auction, and during removal of equipment for transfer of said equipment to the possession of successful bidder.
6. Product Liability Disclaimer: Donor hereby agrees to indemnify, defend and hold harmless EREF-CA and CWRE and each of their respective officers, staff and directors from and against any and all liabilities, damages, fines, costs of defense, settlement and attorney fees related to any personal injury, death or property damage incident to the use of the equipment.
7. **Taxes: If applicable, donors are responsible for payment of the Federal Excise Tax (FET) and the Auction bid will be inclusive of the FET but exclusive of any state and local taxes incident to the sale or transfer of the equipment.**
8. Unrestricted Use of Proceeds: Proceeds of the Auction from each and every donation shall be available to EREF-CA, on an unrestricted basis, for use in furthering the purposes of EREF-CA pursuant to its bylaws.
