COVID-19 Response for
Fall Classic & Networking Event

- Space for social distancing while networking
- Masks available for registered attendees
- Hand sanitizer readily available
- Temperature check upon arrival
- Golf carts sanitized before each use
- Outdoor activities as much as possible

At EREF, our first priority is the safety and well-being of our patrons and staff. We have been working closely with the staff at Pinehurst to ensure proper protocols are in place for the Fall Classic & Networking Event. While we are implementing a few additional measures outside of those taken by Pinehurst, we invite you read the Pinehurst Promise for a more in-depth look at all processes and procedures the facility has in place.

Should you have additional questions or concerns, please email Caitlin Conklin at cconklin@erefdn.org.
